### Jealous Wife

"Try to explain this, you Worm! I called your office this evening and a sweet voice answered and informed me that you were out. How did she get in your office if you were across the Bay on business, as you so cleverly told me?"

### Innocent Husband

"Now, Dear, calm yourself. I forgot to tell you that I subscribed to the TELEPHONE-BUSINESS SERVICE and their staff of Secretaries answer my telephone when I am out as though they were in my office—24 hours every day."

Some firms use TELEPHONE-BUSINESS SERVICE during certain hours—some use us the full day—others nights, Sundays and Holidays—some the entire 24 Hours. Vacations—Emergencies.

Our secretaries handle their APPOINTMENTS, take their SERVICE CALLS, ORDERS and BUSINESS MESSAGES as though we were part of their own organization.

There is a type of TELEPHONE-BUSINESS SERVICE to take care of YOUR telephone business. Costs but a few cents per day. No contract.

Direct Line Service—Additional Listing Service—MAIL and Telephone Service for firms with no San Francisco office.
